lay talk workbook - episcopal cursillo ministry - i preface the lay talk workbook has been developed to provide an episcopal approach to cursillo materials. it is important for team members to have the entire set of talk outlines provided in **lessons on matthew - becoming closer** - in those days - and later codified in the law of moses - a woman's right to have sex (you read that correctly) was established by the rule that a widow would be married to her late husband's brother. **ib art art themes - jessica russo scherr** - ib art art themes you do not have to work in a theme but all of your work must have ideas that back it up. use these themes as a jumping off point to develop one or a series of artworks.
