
Vhf Projects Amateur Experimenter Green

50 (fet) field effect transistor projects - amateur, experimenter, or audio devotee. fet operation ... quencies cannot be used in vhf circuits. all are low power de-vices, and for a maximum supply voltage of 20v to 30v. ... but those in the table will easily fill the circuit needs of the projects described. figure 2 shows the leads of the types most generally required. viewing the small ... **a multi-output power supply for the experimenter** - a multi-output power supply for the experimenter the author describes a power-supply design that can be adapted to most projects that include modern solid-state devices. by john b. stephensen, kd60zh introduction if you're an avid builder of homebrew amateur radio equipment, one item that has to be replicated over and over again is the power ... **practical antenna design - n5dux** - equipment installation like soldering vhf connectors to coaxial cables, making a pig tail, cutting aluminum tubes and using an swr meter. obviously a knowledge in operating a vhf transceiver is the most important. here is one rule of a thumb in installing vhf antennas: if you use an rg -58/u **radio direction finder rdf projects joe wb2hol** - radio direction_finder rdf projects joe wb2hol page 5 of 78 09/24/08 05:28:37 am it is very important that the diodes on the antenna be connected as shown on the schematic. most diodes have a band which shows which end is the cathode. the best diodes for use in the antenna are rf pin diodes. i used 1ss103 pin diodes i purchased at a flea market. **vhf filters without exotic-expensive trimmer capacitors.** - vhf filters without exotic-expensive trimmer capacitors. wes hayward, w7zoi, 10 nov 2014 a major problem encountered when one builds a vhf bandpass filter is resonator tuning. the usual filter is tuned with trimmer capacitors with one required for each tuned circuit. **an experimenter's project for incorporating the ad9850 ...** - an experimenter's project for incorporating the ad9850 complete-dds device as a digital lo function in an amateur radio transceiver* pic "n" mix digital injection system by peter rhodes, bsc, g3xjp (email pirrhodes@aol) part 1 of 5 this construction project brings together a number of themes which i have been kicking around for some time. **a pic-based hf/vhf power meter - ka7exm dot net** - a pic-based hf/vhf power meter by roger hayward, ka7exm ... home-experimenter with a method to calibrate the meter. he translated the ... vestment, the amateur has the capa-bility of developing new projects based upon the generic pic and lcd mod-ule presented in this article. **a spectrum analyzer for the radio amateur - qsl** - among the many measurementtools sought by the amateur experimenter, the most de-sired—but generally considered the least accessible—is the radio-frequency spectrum analyzer or sa. this need not be. simple and easily duplicated, this home-built analyzer is capable of useful measure-by wes hayward, w7zoi, and terry white, k7tau **the pine board project - american radio relay league** - kn9eid, began his amateur radio career as an avid experimenter and builder of vhf equipment. heil became involved in design-ing and building equipment, and in 1958, his was one of the first 1 kw 6- and 2-meter ssb stations. as a professional theatre pipe organist at .), .. pine board . **ross hull - vhf pioneer - wireless institute of australia** - ross a. hull - vhf pioneer by john martin, vk3kwa ross a. hull was born in melbourn e in 1902. he developed an early interest in radio and was licensed as oa3ju (later vk3ju). at the age of twenty, he was the first australian to hear signals from american amateurs. ross visited the united states in 1926, in his **antenna switch for 2.4 ghz applications - qsl** - probably every amateur radio experimenter in the history of the planet has experienced the same problem – you have too many antennas and not enough feed lines. the common solution to this problem is to use a remote–mounted, automotive relay to switch between two or more antennas at the end of a single coaxial feed line run. **rf - n9xh** - 1995 eastern states vhf/uhf con-ference—with little gain variation between 417 and 446 mhz. 1 the swr ... uhf/microwave experimenter's manual is an excellent reference on boom corrections. the spacings are be- ... peared in understanding amateur radio.10 the first antenna with a j-shaped feed was a three-element 2-meter beam. alternately ... **openhpsdr for vhf/uhf/microwave, version 3.0 by roger rehr ...** - openhpsdr for vhf/uhf/microwave, version 3.0 by roger rehr w3sz ... experimenter (openhpsdr projects). although i was able to cover the totality of the dsp solutions available to the amateur radio operator in 2001 in one paper, that is no longer possible. in this paper i **arrrl w3ccx club - packratvhf** - such is the life of the amateur experimenter. thank-fully 2n2222's are pretty cheap there is considerable enthusiasm for a club building project in 2007. the projects would involve sharing some used equipment to help members get on new bands and helping others with the building of kits. all would involve lots of good old fashioned **the canadian amateur - ve3we** - proposed (vhf experimenter) licence. the availability of such a licence would encour- age teachers and schools to promote students enter- ing amateur radio as a part of their training, or at leasž as an aid in their training. good idea no harm done to any existing hams. frank nansor ve71q 963 belmont, north vancouver. family memberships
