
Voice Darkness Bennetts Pamela

***a d - stmmagdalen** - the darkness of isolation of exile shattered by the blinding light of christ--god among us! a light which enters not through our eyes but, through the depths and darkness of our very soul. glory to god in the highest! god became man. revealing a heart so tender an abyss of mercy in a merciless world. offering hope...or love in a world of hate, **our christmas celebration continues today by turning our ...** - our christmas celebration continues today by turning our attention toward the world that jesus came to save. we are part of that world; we come, modern-day magi, following the*
