
When Believe

believe | **define believe at dictionary** - believe definition, to have confidence in the truth, the existence, or the reliability of something, although without absolute proof that one is right in doing so: only if one believes in something can one act purposefully. see more. **believe** | **definition of believe by merriam-webster** - i have watched the many ways that teachers demonstrate pleasure in what students have said or done. i used to believe that teachers needed to present a stoic face for fear of losing control—as if smiling caused bad behavior. — nancy mack, english journal, september 2008 scientists kept a close eye on mount saint helens.
